

## LAST ROAD DRIVE FINISHED

### NOW WHAT DO I DO ?

1-Remember you need to do 3 road drives with instructor, and also 3 observations with an instructor.

2-When you have finished with your roads and observations you will need to take a road test with either the state or a 3<sup>rd</sup> party or private road test school. To make things easier schedule a test online through the state web site.

3- When you have passed the road test it is now time to get your license. You will need to present the following info to the Drivers License Division.

### **STUDENT CHECKLIST**

*a-Provide Social Security Card or Tax Id*

*b- Parent or legal guardian must accompany you if you are under 18*

*c-License fee of \$30.00*

*d-Birth Certificate, the original or certified copy*

*e-Hospital certificates or photocopies WILL NOT be accepted.*

*f-One additional form of identification*

*g-Two original, approved documents that verify your Utah residency*

*h-Permit*

*I-40 hour log sheet*

4-Make things easier and schedule an appointment use the **Utah department of public** safety web site to schedule a time. ***<http://publicsafety.utah.gov/>***

5-You don't need a certificate of completion from Wright Driving, all scores are already loaded and submitted to the Drivers License Division online.
